Here's what to do:

1 Introduce yourself and the ward you live in.

2 Say what you're most concerned about (e.g. losing pools, libraries, arenas, trees, buses, etc.)

3 Ask them to commit:

“ Will you (if you get the councillor) OR the councillor (if you talk to their staff person) vote against any budget that includes cuts to life sustaining services?”

- Push them to answer. If it's a yes, thank them. If it's a no, express your concerns and say you will be joining with Budget for All to stand against these cuts.
- If you get the answering machine: Ask them to call you back with their answer.

Remember!

The staff people will be getting a lot of calls. Please be kind, but firm, with staff - they are going to have a long day. After you've called, check in with your contact and make sure they know you've done your part! Look out for upcoming actions!
